Sage Software Announces Sage Summit 2008 Customer Conference

Partner Bulletin No. 1

Mark your calendar for November 17-20.

Sage Summit is the event of the year for Sage Software customers--and it offers interesting and potentially lucrative opportunities for partners, as well. The conference is an opportunity to introduce customers to new solutions and build stronger, more profitable relationships. It's no wonder Sage Summit has experienced phenomenal growth in attendance over the last two years.

Why Attend Sage Summit?

- **Customer Education**--Attend breakout sessions with other clients, demo add-on modules, get face-to-face technical support, explore integrated solutions, and more.
- **Get New Ideas**--Learn how other customers are using Sage Software solutions to overcome some of the same challenges your customers face.
- **Improve Customer Relationships**--There's no better place to connect customers and show them how to get the most out of their Sage Software solution.
- **Book Your Own Conference Room**--Host mini sessions or entertain your customers at a reception.
- **Dine With Sage Leadership**--Refer your customers to register for Sage Summit and you could earn the opportunity to dine with leaders from Sage Software. The more customers that you refer the better your chances.
- **Reduced Price**--Stay tuned for information on how you can save substantially on your Sage Summit registration by recruiting customers to attend.

"I recommend Sage Summit to our customers because it's the perfect opportunity for them to discover untapped features and network with other Sage Software users. They gain a wealth of valuable information through breakout sessions, learn what will be included in upcoming releases, and explore other Sage applications."
